## **Kierkegaards Pastoral Dialogues:**

Kierkegaard's Pastoral Dialogues takes a selection of Kierkegaard's most insightful spiritual writings and transforms them into a series of dialogues between two friends, a believer and a nonbeliever. In this way, some of Kierkegaard's complex religious thought is made accessible to a wider readership, so as to provide a resource for individual or group study in pastoral, counseling, or spiritual direction contexts. Each dialogue is accompanied by a commentary and questions to help discussion by groups or application by individuals. Finally, there are three responses from, respectively, a philosopher, a theologian, and a hospital chaplain, looking at how the dialogues may be relevant to these different fields of practice.
