Excerpt:

"You're here. You want answers. I have them for you. It is no doubt that you or someone you know has wasted a considerable amount of time dating or marrying the wrong man – the man that we call Mr. Unavailable. He is stealthy. He is ruthless. He drives us stark raving mad. We wonder why love, marriage and companionship evades us. There is a good reason why this occurs, and I am about to disclose some very important information to you so that you stop making the same mistakes over and over again. You can start down the path to true love with just a little bit of knowledge that can help you on the fast track of finding Mr. Right, instead of finding Mr. Unavailable.

Mr. Unavailable is often unavailable for a variety of reasons. I want to cover the different reasons for a man's emotional unavailability with you here, so that you have a better understanding of what you are dealing with when the next Mr. Unavailable doesn't return your texts or phone calls. He runs hot and cold. Sometimes he is romantic, and other times he seems like he has someone else on the line.

You might wonder why I am qualified to share this information with you... I, my dear, have been in your shoes. I have walked that line. I have navigated through the emotionally unavailable men in order to settle down (at last) with my dream man. I have put years into doing some research in the dating arena. I will share some valuable things with you that I have learned along the way. You can finally stop blaming yourself and make the admirable decision to move on and find someone who is available to you."
