Picking Bones from Ash: A Novel Marie Mutsuki Mockett

Ghosts lurk in the bamboo forest outside the tiny northern Japanese town where Satomi lives with her elusive mother, Atsuko. A preternaturally gifted pianist, Satomi wrestles with inner demons. Her fall from grace is echoed in the life of her daughter, Rumi, who unleashes a ghost she must chase from foggy San Francisco to a Buddhist temple atop Japan's icy Mount Doom. In sharp, lush prose, *Picking Bones from Ash* - by Marie Mutsuki Mockett - examines the power and limitations of female talent in our globalized world.
