The last time Maddie saw her best friend's older brother, their lives were full of promise. Liam was a top draft pick for the NFL, not to mention scorching hot. Maddie was headed to the most prestigious music conservatory in the country.

Four years later, every sports fan in the country knows Liam Wallace's name. But Maddie? She's still living in her hometown, working the same minimum wage waitressing job she'd worked since she was fifteen, plus another one to support her 4-year old daughter.

With no family to support her, she's done her best to distance herself from her old friends, all of whom have moved on to successful careers. But, Maddie's best friend is back in town and planning her wedding, and she wants Maddie to be there.

Maddie can't hide any longer. Soon the secrets she's kept for four years are going to come to light...
