SAVED BY THE BIKER: Hellions Motorcycle Club 2: A Black Woman, White Man, BWWM Motorcycle Club Romance Black Star

**Right when I opened my mouth to scream, a big body appeared from the bushes and broke the hold the cop had on me. He was like an avenging angel, if God made angels look sexy as sin and hot as fire.**

I didn't know someone I loved had been betrayed by the corrupt police force, so I kept going to my college classes like normal--until a man I should have been able to trust tried to kidnap me. I'd be dead--or worse--if Axe hadn't stepped in and taken care of the problem.

I never knew that my entire body could want a man so strongly. Even knowing that Axe is a member of the Hellions Motorcycle Club--knowing that there's blood on his hands--doesn't stop me from craving the **white, leather-clad biker** with every breath. And since he's the one who's protecting me, he's close enough to touch all the time.

The only problem is, the bad guys are still after me. But when they make their move, they'll have to go through Axe.

**This short, sexy motorcycle club story is about a beautiful black woman and a white man who would go to any lengths to get her back when she's stolen from him.**
