The Darkness That Comes Before (The Prince of Nothing)

R Scott Bakker

The Darkness That Comes Before (The Prince of Nothing) R Scott Bakker

Strikingly original in its conception, ambitious in scope, with characters engrossingly and vividly drawn, the first book in R. Scott Bakker's Prince of Nothing series creates a remarkable world from whole cloth?its language and classes of people, its cities, religions, mysteries, taboos, and rituals?the kind of all-embracing universe Tolkien and Herbert created unforgettably in the epic fantasies *The Lord of the Rings* and *Dune*.

It's a world scarred by an apocalyptic past, evoking a time both 2,000 years past and 2,000 years into the future, as untold thousands gather for a crusade. Among them, two men and two women are ensnared by a mysterious traveler, Anasûrimbor Kellhus?part warrior, part philosopher, part sorcerous, charismatic presence?from lands long thought dead. *The Darkness That Comes Before* is a history of this great holy war, and like all histories, the survivors write its conclusion.
