*The championship is on the line, the bet is made. With the score tied, though, Karen has no idea what to expect.*

The Mustangs and the Spartans are set to meet in the final game of the season, Karen looking on as her team is set to take the championship. When the away team turns up, though, they make a challenge too delightful to resist: Karen's fertile body will belong to the winning team to do with as they please.

The score, though, remains tied. There's no clear winner, and Karen finds herself split between the two teams. A pessimist would say that no one won - but Karen was an optimist. If they both didn't lose - they both won, and she's going to take them all - all of two entire teams.
