## **Watermelon Wishes** Lisa Moser

When Grandpap teaches Charlie how to plant watermelon seeds in the spring, Charlie hopes they'll grow a "Wishing Watermelon." Grandpap has never heard of such a thing, and when he asks Charlie what he would wish for, Charlie won't tell. Through a whole summer of biking, fishing, basketball, and waiting for watermelons together, Grandpap tries to guess his grandson's harvest wish.

Lush, vivid paintings evoke the friendship, teamwork, and affection between grandfather and grandson as they share their wisdom and this special summer together.

### From reader reviews:

#### **Charlotte Kuester:**

What do you concerning book? It is not important to you? Or just adding material when you require something to explain what yours problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They must answer that question simply because just their can do that will. It said that about guide. Book is familiar in each person. Yes, it is right. Because start from on kindergarten until university need this particular Watermelon Wishes to read.

#### **Avril Morris:**

As people who live in typically the modest era should be up-date about what going on or details even knowledge to make them keep up with the era which can be always change and advance. Some of you maybe will probably update themselves by reading books. It is a good choice for yourself but the problems coming to you is you don't know which you should start with. This Watermelon Wishes is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

#### **Matthew Sewell:**

Nowadays reading books be than want or need but also work as a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book which improve your knowledge and information. The info you get based on what kind of guide you read, if you want attract knowledge just go with education books but if you want sense happy read one using theme for entertaining such as comic or novel. Often the Watermelon Wishes is kind of publication which is giving the reader unstable experience.

#### **Bruce Hensley:**

Reading can called imagination hangout, why? Because when you are reading a book specially book entitled Watermelon Wishes your mind will drift away trough every dimension, wandering in most aspect that maybe not known for but surely will become your mind friends.
