Exile Jerry Cole

Off the coast of Istanbul, near what was once Constantinople, crown of the Byzantine Roman Empire, is a place called the Prince Islands, a magical Mediterranean archipelago. The islands' many monasteries were home to dozens of displaced royalty—exiled princes and banished empresses—victims of the ever shifting political climate of Constantinople. So many found their new home there that their names were lost to time, and the name of the island chain was changed to reflect their presence. Prince Caius is the newest exile to the islands, sent to a tiny spit of land called Terebinthos, home of Demos—the handsome young son of a fisherman in the island's single tiny village. Demos, lonely and stifled, knows he will never leave the islands and has already seen all the faces he'll ever meet. So, when he meets Caius, equally lonely and trapped by his destiny, their connection is instant. Caius becomes his closest friend and teacher, and as they learn more about the secrets of the island and Demos's own family, their friendship blossoms into an ill-fated love. Caius's ambitions drive a wedge between them that could become deadly as an unknown rival threatens Caius's life and the lives of those close to him. Though their hearts yearn for each other, circumstances seem determined to pull them apart. Is it the will of God or the cruelty of man that separates them? Can they change their destinies and find a way to be together in spite of a world that conspires against them? What secrets does the monastery of Terebinthos hold, and how might they change Demos's family forever? Is there hope for this dissatisfied young man and the exiled prince? Please Note: This book contains Adult Language & Steamy Adult Activities, it is intended for 18+ Adults Only. Novella, approx. 50,000+ words in length. HEA (happy ever after ending). Does not end with a "cliffhanger".

From reader reviews:

Christy McCurry:

What do you think about book? It is just for students because they're still students or the idea for all people in the world, the actual best subject for that? Merely you can be answered for that issue above. Every person has different personality and hobby for every single other. Don't to be pushed someone or something that they don't need do that. You must know how great as well as important the book Exile. All type of book could you see on many solutions. You can look for the internet options or other social media.

Lisa Knight:

Can you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you just dont know the inside because don't evaluate book by its deal with may doesn't work the following is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside look likes. Maybe you answer could be Exile why because the excellent cover that make you consider in regards to the content will not disappoint anyone. The inside or content is definitely fantastic as the outside or perhaps cover. Your reading sixth sense will directly assist you to pick up this book.

Ashley Davis:

This Exile is great guide for you because the content that is certainly full of information for you who else always deal with world and possess to make decision every minute. This specific book reveal it data accurately using great plan word or we can point out no rambling sentences included. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but challenging core information with wonderful delivering sentences. Having Exile in your hand like having the world in your arm, data in it is not ridiculous 1. We can say that no book that offer you world in ten or fifteen second right but this reserve already do that. So , this is good reading book. Hi Mr. and Mrs. busy do you still doubt that?

Paul Leavens:

A lot of book has printed but it differs from the others. You can get it by internet on social media. You can choose the very best book for you, science, comedian, novel, or whatever simply by searching from it. It is called of book Exile. You can add your knowledge by it. Without making the printed book, it may add your knowledge and make anyone happier to read. It is most essential that, you must aware about reserve. It can bring you from one destination for a other place.
