Japan. From Ancient Times to 1918

Kenneth Scott Latourette

Japan. From Ancient Times to 1918 Kenneth Scott Latourette

"The plan has been to give an introductory chapter on the geographic setting, followed by a succinct narrative of the nation's history to the time of Commodore Perry and a summary of the chief characteristics of its civilization at the inception of intimate contact with the West. Then comes a more detailed account of the transformation wrought by that contact and of the progress and problems of the new Japan. If the volume helps at all to a better, more sympathetic understanding of the island empire its purpose will have been amply fulfilled." - Kenneth Scott Latourette

Contents: The Geographic Setting of Japan. The Effects of Geography upon the Japanese People and their History. From the Earliest Times to the Introduction of Buddhism.
