Katie and Peter: Too Much in Love: The Inside Story of Their Break-Up Emily Herbert

When Katie and Peter met in the jungle, sparks instantly flew. Their whirlwind romance soon developed into something more permanent and led to a lavish wedding at Highclere Castle in Buckinghamshire. The couple also chose to share the ups—and more recently the downs—of their relationship by making a series of fly-on-the-wall documentaries. The programs have given celebrity-hungry viewers access to their lives and careers and have helped to fuel even more interest in the couple. In this revealing and in-depth book established author and journalist Emily Herbert examines the couple's often tempestuous relationship, looks at the reasons behind the split, and discusses the ramifications of the separation, including the impact it will have on their careers and their children. It is an unputdownable insight into the relationship that started out as a fairytale and ended in tears.
