'Travel --- 2' is a German-trip hystericism, is WAHNSINN. - And you LOVE it.

'Travel --- 2' is an edited journal written immediately antecedent a trip taken to Germany in 2015. Inclination was not about providing rote travelogue, rather production something like art - excuse that pretense. Owing the exhausting, dense character about prose, there are undoubtedly several grammatical and spelling errors attending this 'finished' product; try thinking about these as charming fragments transcribed off glutted looseleafs, crabbed writing. The file has been re-uploaded several times owing additional corrections the author's conscience would not allow otherwise - regardless, keep that aforementioned sentiment in mind, and keep that mind open.
