## **Blood Stones: The Haunting of Sunset Canyon (Volume 1)** Krista Lynn

Deep in the Arizona desert, the love a young woman feels for her mysterious Indian lover grows deeper every year, though her heart stopped beating over a century ago—stilled by the one she loves. What magic could cause this? What ancient Native American witchcraft could hold her spirit captive and make her part of The Haunting of Sunset Canyon? Could the legends of ghost warriors who guard the treasure of the Lost Blood Stones Mine be true? When Darcy Peel left Dry Creek, Arizona, to go to graduate school, she thought she had left for good. She never imagined she would come back to the small community nestled in the shadow of Prospector's Mountain. But now she is compelled to return and find her sister who is lost in the red gorge canyon. On her trail to the truth, Darcy meets Alan Brandt, a young deputy who possesses hidden abilities that link him to stories of ghost warriors. Can she trust him to help find her sister as he promises? Or is she being trapped by the canyon's magic—seduced by her attraction to a man with an uncanny connection to the deadly legends?
