Bruce

Peter A. Carlin

Bruce Peter A. Carlin

This sweeping biography of Bruce Springsteen features in-depth interviews with family, band members, childhood friends, ex-girlfriends, and a poignant retrospective from the Boss himself. It's Bruce as his many fans haven't before seen him - the man behind the myth, describing his life and work in intimate, vivid detail.

For close to four decades, Bruce Springsteen has reflected the heart and soul of America in a career that encompasses twenty Grammy Awards, more than 120 million albums sold, two Golden Globes, and an Academy Award. Yet despite the honesty of his songwriting, Springsteen has remained adamantly elusive and reserved.

In a groundbreaking biography that draws on unprecedented access to Springsteen and those closest to him, acclaimed music critic Peter Ames Carlin presents the most revealing account yet of New Jersey's favorite son. With contributions from band members past and present, including the last interview given by legendary saxophonist Clarence Clemons, *Bruce* encompasses the breadth of Springsteen's astonishing career and explores the inner workings of an American icon right up through his most recent sold-out tour and number-one album, *Wrecking Ball*.

A must for fans, *Bruce* is a meticulously researched biography of one of the most complex and fascinating artists in American music.
