"This is an excellent lab manual...a significant improvement over those currently available" - Dr. William H. Coleman, University of Hartford. "It is an outstanding laboratory manual." - Dr. Van H. Grosse, Columbus State University. "I can tell that the author(s) is an experienced microbiologist, with knowledge and experience far beyond mine in most areas covered. He/she is also obviously an excellent teacher, with explanations far beyond the norm and very helpful tidbits throughout the text. I think this lab manual should fare very well, particularly with the current competition. - Professor James Herrick, James Madison University. The text companion web site includes the following: "Online Instructor's Manual" Web links that are particularly helpful in supplementing labs and correlation guides to coordinate with any of the leading Microbiology textbooks.
