All You Need To Know To Attain What You Want

The wisdom found in parables is universal, immune to changes in culture, time or place. While these stories originate from many different traditions, their messages transcend how we conceive reality, reaching far into the depth of our psyches as well as touching the edges of our souls. If we abide by their lessons, we can reshape our experience of life by viewing it from the highest peak, rather than the gloom of its shadows.

This book uncovers the ancient secrets to living life positively and achieving a state of uninterrupted well-being. If you follow the lessons, essays and exercises within, you will learn how your thoughts shape your life, how to focus your true desires, and how to create a life of limitless possibilities.

You Will Learn:

How to stop “thought errors” from controlling your actions.

How to access your imagination to change your daily life.

How to understand and attain your true purpose in life.

How to turn obstacles in the way of your dreams into gifts.

How to accept and forgive yourself and others.

How to create an abundant and prosperous mind.

With every decision, we shape and create our destiny. Limitations are within our minds, and it is up to us to rise above them.

As the actor, James Dean put it, “I can't change the direction of the wind, but I can adjust my sails to always reach my destination.”
