Apricots in a Turkish Garden Carrie Jane Knowles

Apricots in a Turkish Garden is the latest, highly-regarded addition to the delightful, unpredictable body of literature from the award winning author Carrie Jane Knowles. This sparkling collection of ten short stories is similar to her other work in its deft narratives, sure characterizations, engaging dialogue and enchanting resolutions. Ironically, Apricots is also like Knowles' other writing in that it is almost impossible to categorize. These tales draw the reader in through her seductive storytelling and summarily haunt the reader with her profound insights.
