After Manila, Hong Kong and Bangkok, their travels take an unexpected turn: she meets four young men sailing their boat around the world, and convinces them to let her and Kippy join them.

Filled with sensual descriptions of the places she visits, lively accounts of the people and traditions, and intriguing characters, it is not only the luminous vitality of her prose that make this travelogue such a pleasure to read, but the courage of her decision to toss expectations to the wind and embrace all the adventures the world has to offer-an inspiration to the adventurer that lurks within us all.
