"Hardly Human" is an emotional labyrinth with the intention of making you uncomfortably comfortable. In this short but potent collection of poetry and prose, I delve into my emotions in times of darkness, depression, absolute love, pure bliss and everything in between. My goal is to create a familiar bridge that you may pass over, allowing you to relate to the words on the page in hopes of further understanding yourself. The moral of these meticulously arranged sentences is to find yourself in all that you do.
