My story of growing up intuitive and multidimensional in a world of darkness to these metaphysical truths. I became a seeker at a young age, and picked parents that would support me as a young healer and spiritual seeker of the Original Cosmic Truths and Universal Laws that govern the Intergalactic Worlds and Federation of Light.

Journey with me through my 'out of the box experiences' on the etheric planes of adventure, and amazing metaphysical happenings that answered my "Big Questions" about the Source of Creation.
