Ever been confused about friendships with boys? How to handle crushes? How friendly is too friendly? How close is too close? What to do when a guy is being way too friendly? What guys think about all this? What it means to be a "sister, in all purity"? Guy-girl relationships have always been complicated, but perhaps never more so than today. *It's (Not That) Complicated* is a humorous, hopeful, and deeply thought-provoking new look at guy-girl relationships in our times. Dealing practically with such complications as online interaction, Hollywood expectations, undefined relationships, and unrequited love, the Botkin sisters offer enduring biblical principles that can make it all much simpler. "How do young men and young women interact with one another when marriage is not in view? Can young men and young women be 'friends'? And how does a young woman guard her heart, preserve her purity, and walk in integrity without treating young men with disdain? In *It's (Not That) Complicated*, Anna Sofia and Elizabeth Botkin address these and other questions with wisdom, grace, transparency, and biblical acuity." - Dr. Voddie Baucham Jr.
