Poking Fun in a Poem (Write Me a Poem) Valerie Bodden

The conventions of poetry may seem imposing, but a good poem can be enjoyed at any age. This new series, geared toward the early elementary learner who may be encountering literary forms and terms for the first time, teaches by example, showing how poets use language in playful and effective ways to create meaning. The friendly illustrations add another layer of approachability, and each book invites the reader to Write Me a Poem based on a key idea outlined earlier. An elementary exploration of word play and attitude in poetry, introducing puns, stanzas, and limericks as well as poets such as Edward Lear. Includes a writing exercise.
