## **How to Forgive**

Forgiveness can be hard. Forgiving others takes strength. Holding a grudge will never lead to happiness. Our selfish nature can be overcome. We can let go of the wrongs others have inflicted upon us. If you believe in these and similar messages, or if you want to strengthen your belief in them, then this book is for you. If you are struggling with forgiveness or are looking to become someone with a more forgiving attitude, then this book is for you. Find out more about our thought process when things go wrong, about inspirational stories from others, and additional tips on how to forgive more easily.

## **Compatibility Test**

Have you wondered about whether or not you are deeply in love with your partner? Are you thinking about whether or not your relationship contains all the necessary ingredients to be passionate and successful together? This test has the main questions, some of which are more relevant than others, to see if you match, if you are compatible with your partner or potential partner. It's a fun test that you and/or your partner can do to learn more about yourselves, relationships in general, and your love for each other. So feel free to get this book for just a few bucks and have a fun 30 minutes or hour learning more and comparing.

Do you listen to others... Yes? No, I mean, do you REALLY listen to others? If there is room for improvement, then pick up this relatively low-priced book and become more loved in relationships, by coworkers, or become more effective at what you do and how much information you absorb.
