The Best Joke Book I Ever Wrote For Kids Adam Kessler

I wrote this joke book for kids. It's filled with jokes that all ages can enjoy but I wrote it for kids. The reason I wrote it is that I personally fell in love with telling jokes when I was 5 years old. I loved hearing jokes on TV and then going and telling the jokes to my mom and making her laugh. They weren't always jokes that I understood completely and some of them probably weren't jokes that I should've been hearing or telling when I was 5 years old. This book is for kids who like jokes, who like telling jokes, and who like to laugh. I've always said that some of my goals with my comedy career are to spread joy and to have my jokes shared with others. This book does exactly that. Adam Kessler is a clean stand-up comedian who's been performing all over the world. He lives in Washington State with his wonderful wife and 3 amazing children. Adam is the author of "The Best Joke Book I Ever Wrote" series.
