The Heart Wants Christina Quintana

"To read Christina Quintana's work is to be filled with clarity in the blur and din of our cities, when having 'nothing to mourn' is an 'excuse for an adventure.' Each poem is 'a reminder, an urging' to find in others, in our words and in ourselves, a 'want for something' and what the heart wants." -Ricardo Maldonado, poet and translator "In open-hearted, honest verse, Christina Quintana's *The Heart Wants* gives and gives until our hearts break and break open. A vibrant debut full of verve and charm." -Thomas Dooley, author of *Trespass* and artistic director of *Emotive Fruition*

From reader reviews:

Michelle Pacheco:

Nowadays reading books be a little more than want or need but also be a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The information you get based on what kind of book you read, if you want drive more knowledge just go with training books but if you want feel happy read one having theme for entertaining for instance comic or novel. The The Heart Wants is kind of reserve which is giving the reader capricious experience.

James Ellis:

Information is provisions for folks to get better life, information these days can get by anyone on everywhere. The information can be a understanding or any news even restricted. What people must be consider if those information which is inside the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the actual resource are convinced. If you receive the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All of those possibilities will not happen inside you if you take The Heart Wants as the daily resource information.
