Bellezza per tutti: Giardini e orti urbani in Svezia

Create beauty in everyday life: this could be the motto of modern Scandinavian design, based on a philosophy of living which is sober and functional, affordable and accessible to all. Such as Swedish municipal gardens, small green spaces that allow everyone to dispose of vegetables and fresh fruits and spend more time in nature. The book shows the main features of these green spaces analyzing every detail, with the aid of beautiful photos taken by the author during his trips. May the Swedish experience be a model for us?
