College students planning to go on to law school will find the most up-to-date information available on nearly 200 ABA-approved law schools across the United States. Profiles include details on admission requirements, academic programs, the school calendar, a capsule description of the faculty, library facilities, tuition and fees, available financial aid, graduation requirements, professional organizations, and student body composition. Several non-ABA schools get brief profiles in a section of their own. The book also offers advice on choosing a law school, getting career counseling, taking the Law School Admission Test (LSAT), and applying to a law school. A sample LSAT with answers and explanations is a bonus feature in this directory.
