Gun Monkeys Victor Gischler

Charlie Swift just pumped three .38-caliber bullets into a dead polar bear in his taxidermist girlfriend's garage. But he's a gun monkey, and no one can blame him for having an itchy trigger finger. Ever since he drove down the Florida Turnpike with a headless body in the trunk of a Chrysler, then took down four cops, Charlie's been running hard through the sprawling sleaze of central Florida. And to make matters worse, he's holding on to some crooked paperwork that a lot of people would like to take off his hands. Now, with his boss disappeared and his friends dropping like flies, Charlie has got his work cut out just to survive. If he wants to keep the money and get the girl too, he's really going to have to go ape...

Nominated for the Edgar Award for Best First Novel, **Gun Monkeys** is a fast, furious collage of wit and wise guys, violence and thrills—and a full-throttle run through the dark side of the Sunshine State.

From reader reviews:

Dominique Fletcher:

A lot of people always spent their own free time to vacation as well as go to the outside with their friends and family or their friend. Did you know? Many a lot of people spent many people free time just watching TV, or perhaps playing video games all day long. In order to try to find a new activity this is look different you can read the book. It is really fun to suit your needs. If you enjoy the book that you just read you can spent all day long to reading a book. The book Gun Monkeys it is very good to read. There are a lot of people who recommended this book. These were enjoying reading this book. When you did not have enough space to develop this book you can buy the particular e-book. You can more quickly to read this book from your smart phone. The price is not to cover but this book features high quality.

Mark Shanks:

People live in this new moment of lifestyle always aim to and must have the time or they will get lots of stress from both daily life and work. So , whenever we ask do people have free time, we will say absolutely sure. People is human not really a huge robot. Then we consult again, what kind of activity do you possess when the spare time coming to anyone of course your answer can unlimited right. Then ever try this one, reading books. It can be your alternative within spending your spare time, the book you have read is usually Gun Monkeys.

Dennis Haney:

Playing with family in the park, coming to see the sea world or hanging out with close friends is thing that usually you have done when you have spare time, after that why you don't try matter that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Gun Monkeys, you could enjoy both. It is excellent combination right, you still wish to miss it? What kind of hangout type is it? Oh can occur its mind hangout guys. What? Still don't understand it, oh come on its referred to as reading friends.

Gary Lewis:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Gun Monkeys can make you truly feel more interested to read.
