## **Gunsmith Cats Revised Edition Volume 4 (Gunsmith Cats (Dark Horse)) (v. 4)** Kenichi Sonoda

This fourth and final omnibus volume of the original Gunsmith Cats series is probably the single best GSC-related item available. Not only does it comprise the super-exciting "Mr. V" storyline, with the usual gun-and-auto action and a special plot twist, but for extra punch, creator Kenichi Sonoda added a bunch of exclusive gag strips and a few issues of his left-to-right reading Riding Bean stories from way back in 1989. Also included are some "making of Riding Bean" comics and sketches and notes from the early days. See the beginnings of Sonoda's awesome Gunsmith Cats series!
