An Upper Young Adult Paranormal Romance featured in USA Today

Sometimes you just have to believe.

Finding her destiny nearly cost her everything. Kristia knows she can handle whatever The Fates throw at her next—including her long-awaited honeymoon with the God of Winter. But as things heat up between Kristia and Ull, a frost settles over Asgard. An unexpected death marks the beginning of the end, much earlier than anyone expected. Kristia's barely begun to understand what she's capable of, and controlling her powers seems completely out of her grasp. With her new family fighting for their lives, and Ull fighting for their future, Kristia has to make a devastating choice: preserve the life she loves, or protect the god she can't live without?
