Barron's is today and always has been the Number-One reference source for verb usage in virtually every major language. Leading all competition, the best selling *501 Italian Verbs* beats all less well-established rivals with its brand-new 3rd edition. It's printed in two colors, it features tinted page edges for ease of reference, and it comes with extra help for Italian language students in the form of a CD-ROM. The book presents the most important and most commonly used Italian verbs arranged alphabetically with English translations in chart form, one verb per page, and conjugated in all persons and tenses, both active and passive. The accompanying CD-ROM gives students practice exercises in verb conjugation plus a concise grammar review. This combined book and software package is a comprehensive guide to Italian verb usage with a wealth of reference material and language tips, including a bilingual list of more than 1,250 additional Italian verbs, helpful expressions and idioms for travelers, and verb drills and short tests with all questions answered and explained.
