“It’s rather charming when you beg.”

Alice has finished teaching for the year and Tobias has invited her on “a little trip,” but what sort of trip does the dominant billionaire have in mind?

A tense, foreplay-filled flight on Tobias’s private jet only leaves Alice wanting more, and not just more time with Tobias. When she finds a submissive contract he hasn’t shown her yet, she realizes she must convince him she’s worthy of submitting to him in the long-term.

He doesn’t make it easy though. A dinner with New York City’s kinky elite provides an opportunity for Tobias to give her a challenge. Can Alice follow his orders and, if she does, can she satisfy him and a dark-eyed stranger?

For adults only and portraying consenting adults, "Bent Over His Desk 6: Control" is a 9,800 word story, featuring BDSM, Domination, orgasm control and denial, submissive training, fellatio, anal sex, double penetration, toy use, spanking, and an MFM ménage.

From the story:

She taught English not physics, but it was hard to believe the bedroom before her could fit inside a private jet. A massive bed took up the bulk of the space, but a chaise lounge, low, wooden night stands, and a thick Persian rug made the room sensual. A row of windows on one wall showed the inside of the hangar.

“Walk forward.”

The tone in his voice let her know to respond “Yes, Sir” not “Yes” as she walked forward.

Goosebumps sprang up along her arms and the hairs at the base of her neck stood when she heard the bedroom door click shut behind her. When she’d imagined their trip, she’d pictured nice seats on a

plane—not anything that would give them such an opportunity.

Bright heat throbbed to life in her core.

“Continue facing the bed and remove your blouse, Alice,” Tobias said.

“Yes, Sir,” she said, already tugging the shirt’s hem out of her skirt.

“You are so eager to get controlled. You’re shaking.”

He was right. Excitement shuddered through her and her fingers trembled.
