Neighbors can be good. Neighbors can be bad. *Sometimes neighbors are exactly what you need for stay-at-home wives.*

Dylan Chance is a promising new regional manager newly moved to Bozeman, Montana. Causing some accidental damage to his neighbors' vehicles, he and his wife Mia meet them for the first time. Dylan tries to intimidate them into accepting his delayed restitution but that kind of tactic doesn't work on these Montana men.

Finding himself tied up with some very incriminating evidence caught on cell phone, he watches helplessly as the two men begin making a deal with his wife - **as long as she starts the bargaining with a kiss.**
