Les Protocoles des Sages de Sion (1921) (French Edition) Matvei Vasilyevich Golovinski

Lorsque le cynisme de la police secrète du Tsar Alexandre III, Orkhana, s'appuie sur des passions antisémites pour faire chuter un ministre au profit d'un autre, c'est presque par hasard que le plus grand succès de la littérature antisémite voit le jour.

Création de circonstance, les *Protocoles des Sages de Sion* auraient pu tomber dans l'oubli et la dérision aux côtés de mille autres pamphlets antisémites du début du vingtième siècle. Il en fut tout autrement. Ils apportent une explication simple à la complexité du monde : guerres mondiales, révolutions communistes et crises économiques. Tout semble limpide.

Face à cette rhétorique de bouc émissaire, il faut bien sûr garder raison, comprendre, argumenter, démontrer que les *Protocoles* sont copiés d'un texte plus ancien, qu'ils sont tricotés à partir de grosses ficelles satiriques, qu'ils ont tout pour faire un scénario de film comique, qu'ils sont rédigés par une police secrète connue pour sa brutalité et qui divulgue pour ainsi dire ses propres recettes et intentions...

Format 21,59 x 27,94 cm.
