Pepped Up (Pepper Jones Book 1) Ali Dean

Pepper Jones is ready for an epic cross country season. She wants to qualify for Nationals, and she's willing to do anything it takes to make it happen. She can handle long miles and hill sprints, but boys? That's an entirely different challenge.

Pepper's never considered revealing her deeper feelings for her longtime friend, Jace Wilder. After all, he's got the personal magnetism and good looks to hook just about any girl in town -- and he has. Their friendship stands apart from high school social circles, and they're both just fine with that (or at least they pretend to be).

That is, until running star Ryan Harding moves to town.

When it comes to running, Pepper's goals are clear. But when it comes to Jace and Ryan, it's nowhere near as simple.

Pepped Up is the first in a series that follows Pepper through high school and into college. The second and third books in the series are now available. The fourth book will be released July 30, 2015.

This book contains mature content.
