This guidebook is not a stodgy Wikipedia-style publication. While it does contain plenty of facts and figures, the author also shares her personal insights and advice. While she discusses all the possibilities, she highlights the things that she loves about the Florida Keys. She also includes hundreds of photos, maps, and FYI boxes that reveal little tips and tricks for having the best Keys vacation possible. There is a time to go (and not go) to the Keys and there are some special seasonal events you may not want to miss. Learn about the best places to stay (hint: you won't find them through an internet search) and everything else you need to know before you go...
