The German Shepherd: A Vet's Guide on How to Care For Your German Shepherd Dog Dr Gordon Roberts BVSc MRCVS

The German Shepherd puppy captivates those he meets with his distinctive yellow coat and his calm, loyal nature. These amazing dogs have helped farmers to herd sheep in Germany and beyond, and as such they crave an active, outdoor lifestyle that only a special kind of family can give them. If you're thinking of getting one of these lovable pups, there will be a lot to think about. For example: - Where will your puppy sleep? - Where and when will he be fed? - Who will be responsible for training him? - Who will walk him, and where will you go? - Who will pick up his mess? - What rules will he need to follow in the house? - Who will pay for his vet's fees? These are just some of the questions you will be asking yourself in the coming weeks. If you live in a family unit, you will need to have this discussion as a household so that everyone agrees on the dog's rules and what his lifestyle will be like. This is an exciting time! Make sure you don't rush into things though. Take the time to read this book thoroughly so that you know what to expect from the German Shepherd in terms of temperament, health care, grooming and behaviour. These are important aspects to familiarise yourself with, well in advance. If you're still deciding whether this breed of puppy is for you, the Choosing a German Shepherd chapter in this book will help you by asking some compatibility questions. As for the rest of the book, you'll learn some important facts such as: - What kind of personality the German Shepherd has - Where he originated from and what his history says about him - The particular health concerns to be wary of - Tricks and techniques for training this clever breed - How to groom the German Shepherd's thick coat - And a lot more! We hope you enjoy finding out about this fantastic dog. Should you choose to become the owner of a German Shepherd puppy, may you have many years of happiness together!
