After a decade leading diplomatic voyages and covert missions for the Crown, Captain Robert Frobisher decides that establishing a homewith hearth and wifeshould be his next challenge. But when an urgent summons arrives, Robert puts his wishes aside and agrees to set sail immediately. His goal is clear: get to Freetown, determine the location of a slavers' camp and return to London with the information.

In Freetown, Miss Aileen Hopkins is determined to find her brother Will, a naval lieutenant who has mysteriously disappeared, and she will not allow "anyone" to turn her from her path. But all too quickly, that path grows dark and dangerous. And then Robert Frobisher appears and attempts to divert her in more ways than one.

Joining forces with Aileen, Robert vows to complete his mission "and" secure the woman he wants as his wife. Compelled to protect the innocent and bring retribution to a heartless enemy, they plunge into the jungle with only each other to rely on, and with the courage of their hearts as their guide.
