## **Manual of Style for Contract Drafting** Kenneth A. Adams

Written by a practicing corporate lawyer and authority on legal drafting, this new Second Edition will completely update its first edition published in 2004. The focus of this manual is not what provisions to include in a given contract, but instead how to express those provisions in prose that is free of the problems that often afflict contracts. This manual highlights common sources of inefficiency, dispute, and misunderstanding and recommends how to avoid them. It offers a level of practical detail not found elsewhere in the literature on drafting.
