Masters of the Sex Gates is the highly anticipated sequel to the mindblowing novel, The Sex Gates. Earth is changed forever when the Sex Gates arrive. By passing through a gate, you can change your sex or cure an incurable illness -- but each passage carries a price. What will the ultimate price be? Outside, the demonstrators shouted and shook their fists. Most of them were convinced there was a trick to successfully making successive passages, a trick that we Seconders selfishly kept to ourselves. That made us evil in their eyes. If such a secret did exist, it would be extremely valuable. The wealthy would gladly sacrifice a fortune to gain effective immortality. And to make that immortality fun, you could change your sex whenever you got bored and enjoy swinging both ways. For a Secunder, it was as easy as walking through one of the ubiquitous sex gates. But there was no secret to sell, and nothing we could tell this mob would appease it. Neither Rita nor I had any idea why we could pass through the gates safely while others vanished if they made the attempt.
