Now and Then (The Now Series Book 1) Brenda Rothert

Now Emmaline Carson has settled into her career as a graphic designer, though she'd rather be painting or shopping with her sister Layla. But then – in the years before she went to art school in Paris – she was a shy, awkward teenager with frizzy hair, a flat chest and a massive crush on the boy across the street, Cole Marlowe. Too bad her incredibly hot neighbor only had eyes for Layla.

Cole is now a confident, laid-back attorney who's even hotter than he used to be. He's planning to stay single while working his way up the corporate ladder – until he's knocked off course by a chance run-in with Emma.

Everything is different between Cole and Emma now. He finally sees her in a way she only dreamed of, and their hot chemistry is fueled by a growing friendship. But Emma's deception of her sister – who wants Cole for herself – and the secret Cole's been keeping for more than a decade threaten to tear apart what's only just begun. Because sometimes the only thing standing in the way of now is then.
