The SHTF Stockpile: 39 Necessary Things You Should Have to Endure A Calamity (The SHTF Stockpile Books, the shtf stockpile, what you need on hand when shtf) Glen White

People joke around about dooms day and that the world just may come to an end, but what happens if something catastrophic does happen? Will you be prepared? There are many people who encourage others to stock up on items and have faith that you will never have to experience anything disastrous. But what happens if a natural disaster like a blizzard or a hurricane comes through? Sure, you could always hunker down in your home and hope that everything will be okay within a few days' time, but what happens if you are driving and your car dies out in the middle of nowhere? What happens if you lose electricity and can't use the utilities? You don't want to be caught off guard and be unprepared for any crisis that may happen.

Life can be pretty vicious and unpredictable, there is no denying that. With this book, you will learn the importance of creating a survival kit.

Not only that, but you will also learn these useful tips:

- The different types of survival kits
- What items go into a basic survival kit
- The items every medical emergency kit should include
- How to create your own mini survival kit
- What items to include in a 5-gallon bucket kit
