The Truth About Travel Nursing: Know More than Your Recruiter as a Travel Healthcare Professional Kyle Schmidt

The Truth About Travel Nursing provides healthcare professionals with a truthful, straightforward insider's perspective on the world of travel healthcare. In reading the book, you'll achieve a fundamental understanding of the industry. The information provided will help you see through the common marketing messages and sales tactics. In the end, you'll be able to approach your travel healthcare career with a plan and the confidence to achieve it. In this book, we will: A) Categorize agencies by size and provide an in-depth look at agency-hospital relationships so that you'll know what to expect from a service standpoint. B) Discuss how agencies market their services and develop a plan for finding agencies that can meet your needs. C) Learn how compensation packages are determined on the agency's end, and how you can compare compensation packages between agencies. D) Look at each of the most popular compensation offerings in detail so that you'll be able to determine exactly what you want out of a compensation package. E) Discuss tax-free money from both the agency's and traveler's perspective, and provide details on the qualifying requirements for tax-free money. E) Walk through the entire process of landing a travel assignment. F) Discuss what you can expect while working a travel assignment and how to secure future travel assignments. G) We'll do all of this and much more! Please note that you can find the vast majority of information provided in this book on my blog, thetruthabouttravelnursing.com. The book is for those who prefer to have the information centrally organized in succession.
