## **Falling for Her Cowboy Boss (BBW Billionaire Western Romance) (Cowboys of Colton Canyon Book 1)** Joann Baker, Patricia Mason

After a military career that could have ended his life, Jacob McKay came back to his family ranch a different man—physically and emotionally. He was content with running the Triple M and building on the success his father had created. And, of course, the occasional no-strings-attached affair. What he didn't want was to be attracted to his curvaceous secretary—a woman with emotional scars of her own and an issue with her abundant curves.

Carolyn Adams had suffered her own brand of personal hell after losing both of her parents in a tragic accident that had almost claimed the life of her brother as well. An accident that she had walked away from without a scratch. Taking a job as secretary at one of the largest ranches in Colton Canyon meant that she'd be able to keep her brother in rehab. It also meant that she would be closer to the man who every day claimed another little piece of her battered heart.

Can two lonely people overcome their personal trials and find a way to heal one another?
