Healing of Memories David Seamands

Time alone cannot heal the memories of experiences so painful that we've been pushing them out of our conscious minds for many years. Yet such memories continue to cause us emotional and spiritual problems. They must be dealt with directly and deliberately by a special kind of spiritual therapy that Dr. David Seamands calls memory healing. This form of Christian counseling coupled with prayer focuses the healing power of the Holy Spirit on the root of the problem and breaks the bondage of traumatic memories.

Redeeming the Past (formerly titled Healing of Memories) has helped hundreds of thousands of people discover how God's healing power can free them from the tyranny of painful memories which affect their behavior and Christian growth.
