Tomorrow, the Killing (Low Town Book 2)

Daniel Polansky

Tomorrow, the Killing (Low Town Book 2) Daniel Polansky

The fresh, astonishing follow-up to the acclaimed *Low Town*, again combining steely hard-boiled crime with dark fantasy

Once he was a hero of the Great War, and then a member of the dreaded Black House. Now he is the criminal linchpin of Low Town. His name is Warden. He thought he had left the war behind him, but a summons from up above brings the past sharply, uncomfortably, back into focus. General Montgomery's daughter is missing somewhere in Low Town, searching for clues about her brother's murder. The General wants her found, before the stinking streets can lay claim to her, too. Dark, violent, and shot through with corruption, this book is a fantastic successor to a much-heralded fantasy debut.
