Agustín Fernández Mallo

Nocilla lab (Narrativa (Punto de Lectura)) (Spanish Edition) Agustín Fernández Mallo

Nocilla lab is a disturbing, visionary and self-referring road trip where a man and a woman seek to initiate the Project: an excuse to delve into their dreams and their relationship. The journey comes to an end at an old prison where one man faces another and, surrounded by an air of tension and suspense worthy of the most disturbing thriller, a man must face his own demons in an ending that will take the reader completely by surprise. Nocilla lab can be described as an accurate portrayal of the art of creating, writing, and imagining.
