## Sky Loom: Native American Myth, Story, and Song (Native Literatures of the Americas)

*Sky Loom* offers a dazzling introduction to Native American myths, stories, and songs drawn from previous collections by acclaimed translator and poet Brian Swann. With a general introduction by Swann, *Sky Loom* is a stunning collection that provides a glimpse into the intricacies and beauties of story and myth, placing them in their cultural, historical, and linguistic contexts.

Each of the twenty-six selections is translated and introduced by a well-known expert on Native oral literatures and offers entry into the cultures and traditions of several different tribes and bands, including the Yupiit and the Tlingits of the polar North; the Coast Salish and the Kwakwaka'wakw of the Pacific Northwest; the Navajos, the Pimas, and the Yaquis of the Southwest; the Lakota Sioux and the Plains Crees of the Great Plains; the Ojibwes of the Great Lakes; the Naskapis and the Eastern Crees of the Hudson Bay area in Canada; and the Munsees of the Northeast. *Sky Loom* takes the reader on a wide-ranging journey through literary traditions older than the "discovery" of the New World.
