**In this seductive novel from the author of *Bound to You*, two career-oriented friends with benefits discover that good morning doesn't have to mean goodbye.**

Late-night booty calls are the most romantic gesture that Carlie Jason expects from business magnate Tomas Goodfellow. Ever since they were teenagers, they've provided each other the kind of no-strings pleasures that don't involve regrets. Now Carlie finds it easier to kiss and run rather than face the fact that she wants so much more. But when she takes a job as a concierge at one of Tomas's properties, a hotel where the rich and famous get their kink on, Carlie's tempted to reconsider the rules of surrender.

As the head of an international empire, Tomas knows how to bring out the best in his employees. Putting Carlie in charge of managing the desires of his wealthiest clients was a stroke of genius—only now that she's close enough to touch, he finds he doesn't want to let her go. Their long, dark history has built up intimacy in ways he's only just beginning to understand, but Tomas isn't ready to trust her just yet. He knows his feelings are more than skin-deep. But first he needs to convince Carlie of one thing: the ties that bind go straight to the heart.
