**The Bridges of Vietnam: From the Journals of a U. S. Marine Intelligence Officer** Jr. Fred L. Edwards

As an intelligence officer during the Vietnam War, Fred L. Edwards, Jr., was instructed to visit every major ground unit in the country. Go to Special Forces camps, ground reconnaissance units, armored cavalry units, and waterborne reconnaissance units. Search everywhere for intelligence sources' long range patrols, boats, electronic surveillance, and agent operations. Don't get bogged down by dog-and-pony shows staged for colonels and generals.

This audiobook is built around Fred Edward's journals, sent home during his first tour in Vietnam in 1966-67. His own meticulous research fits his individual experiences into a larger context, through Postscripts, extensive notes, and a thorough historical chronology.

The book is published by University of North Texas Press.
